Album Picks 2024

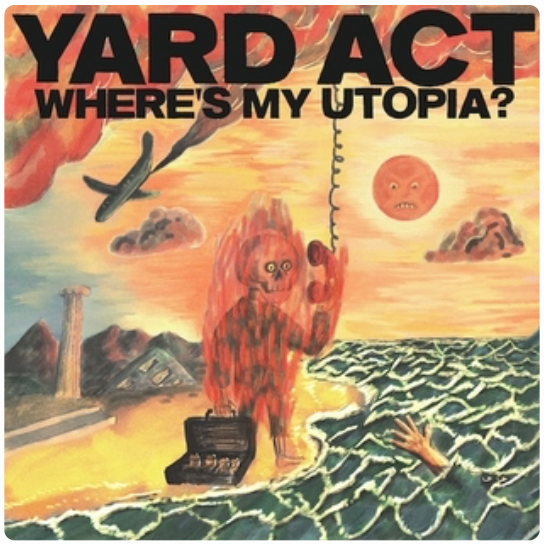
Top 3 Albums of 2024🔥

1. Bleachers

by bleachers

Modern pop-music mastermind Jack Antonoff educates the world with another twist – it's possible to depict youth even when 60% of songs are under 90 BPM.

2. Where's My Utopia



by Yard Act

This chaotic, catchy & cathatic mix of indie rock and hip-hop is something I've never seen before. So is the gloomy world-view it conveys.

3. Mercy

by Remo Drive

It took the Paulson brothers a decade to find the neo-retrospective sound, but they've made it. Everything along their journey from "Blink-182" to "the Smiths" is present in this album.

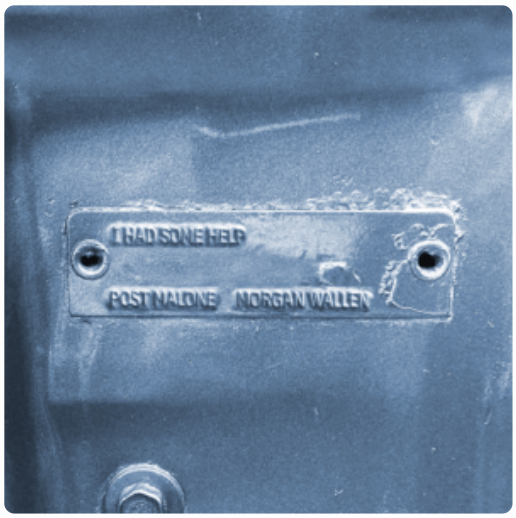
Top Live Album of 2024 🎤

Ai no Pegasus

by ZUTOMAYO

Top Single of 2024 👍

I Had Some Help



by Post Malone

Sad boy pop song-writing paired with country guitar & fiddle.

Top Album not from 2024 that I Heard in 2024 🔮

平成风俗

by Sheena Ringo

The world won't see this type of song writing nor this collaboration between pop music prodigy and orchetral master again.

Best Heavy Album
